

## Manual Osteopathic Practitioner Position

Location: ProActive Athletic Therapy in Carleton Place, Ontario (West of Ottawa)  
Job Type: Independent Contractor

There has never been a better time to join our team! Our clinic is growing and we are currently seeking applications from a registered and licenced Manual Osteopathic Practitioner to fill a position at our clinic. We are looking for a professional, self-motivated and experienced candidate to compliment our health care team by offering exceptional and unique Osteopathic care to our community. This is a HUGE opportunity for the candidate as our community in Carleton Place is quickly growing and there is a high demand for Osteopathic services!

### Clinic Overview

*ProActive Athletic Therapy* is a well-established orthopaedic care clinic in one of the fastest growing municipalities in Eastern Ontario. We have established relationships with family practitioners, sports medicine and orthopedic physicians, allied health care practitioners and a large referral base of existing patients. We are in an ideal location within a professional plaza that includes family physicians, dentists, chiropractors and optometrists. ProActive Athletic Therapy provides professional and personalized health care for both athletes and any active that wish to improve their sport or work performance, functional ability and quality of life. As a manual therapy-based practice, we offer exceptional customized care and collaboratively work with several highly qualified health professionals. Our center consists of Certified Athletic Therapists, Registered Massage Therapists, Osteopath, and a Medical Esthetician. Most of our referrals are from physicians, word-of-mouth, local clubs and social media.

If you have:

- The passion and drive to build and maintain a busy practice that is patient-focused and centered around all aspects of exceptional patient care
- Excellent communication skills
- Consistent high level of work, ethics and standards of practice
- A non-competitive team philosophy, focused on providing patients with the best care possible for their unique health concerns and goals
- Manual visceral skills are an asset

### **WHAT WE OFFER**

- Professional, supportive, stable and COVID safety work environment
- Clean, spacious, fully furnished private treatment rooms
- Online scheduling and patient management, including automated appointment reminder emails
- Established clinic policies around cancellations, with mutual respect for our team and patient
- Competitive percentage split
